COMMENTS: Candidate mailed in his waiver request and he said as it is known the Covid 19 epidemic has stricken a lot of us not just with illness but with fear. Those fears closed the doors to many small businesses, one of the business he used for his campaign was closed and he was unable to get receipts. Though he failed he tried to finalize payments and obtain receipts, being that all campaign costs were from his personal funds.

RE: Waiver Request

Dear Ms. Melissa Horn,

First, I deeply apologize for my tardiness in sending in receipts for my campaign expense.

As it is known, the Covid-19 epidemic has stricken a lot of us, not just with illness but with fear. Those fears closed the doors of many small businesses. T & L Vinyl Shop, the business that I used, was one of those businesses. Conditions made it difficult to obtain receipts; their business was limited to curbside and flexible hours, finally to closing their doors temporarily. Though I failed, I tried to finalize payments to obtain receipts, being that all campaign cost were from my personal funds. However, once I was able to get them I got them to you as quickly as I could.

Once again, I apologize for not getting those documents to you on time.

Sincerely,

Narvin Powell Jr
